FROM: Deborah Ingram 
Assistant Administrator
Recovery Directorate

SUBJECT: Adjustment of the Public Assistance Program's
Countywide Per Capita Impact Indicator

Attached for your information and dissemination, is a copy of the Federal Register Notice announcing the annual Consumer Price Index (CPI) adjustment of the countywide per capita impact indicator under the Public Assistance program. Effective October 1, 2013, the countywide per capita indicator is \$3.50, which reflects an increase from \$3.45.

In assessing damages for area designations under 44 CFR 206.40(b), FEMA uses a county-wide per capita indicator to evaluate the impact of the disaster at the county level. This per capita indicator will be adjusted to reflect the annual change in the Consumer Price Index for all Urban Consumers published by the Department of Labor.

This change applies to all disasters declared on or after October 1, 2013. Please ensure that all members of your staff are aware of this change and its applicability.
